

# INTERNATIONAL NEUROLOGIC & PSYCHIATRIC EPIDEMIOLOGY PROGRAM (INPEP)

## 2014 – 2015 BROWN BAG LECTURE SERIES

Dear INPEP colleagues and friends,

The eighth year of the INPEP Brown Bag Lecture Series will begin in September 2014, and will be held on the third Thursday of each month in E-4 East Fee Hall (in the basement, next to the medical bookstore) at noon. In the event you cannot attend, these lectures will be recorded and posted to our website.

We are interested in featuring your or your colleagues' work in our lecture series in the future. If you have candidate presenters that you would like to recommend, local or otherwise, please send us their names, e-mail addresses, affiliations and areas of research, at [inpep.hc@msu.edu](mailto:inpep.hc@msu.edu). The only stipulation is that the presentation be relevant to health issues of research in international settings.

We invite you to attend the 2014-2015 INPEP Brown Bag Lecture Series on the following dates:

<b>DATE/TIME</b>	<b>SPEAKER</b>	<b>TOPIC</b>	<b>LOCATION</b>
