

Sparrow Hospital Named Top in Nation for Stroke Center

Posted: Feb 11, 2013 11:12 AM EST

LANSING, Mich. (WLNS) - Officials announced Sparrow Hospital is the state's first to receive national recognition as a comprehensive stroke center. It means the facility provides a multi-disciplinary approach to strokes so patients can receive all their care in one place.

The center is also ranked among the nation's fastest for delivering stroke stopping treatments.
